

IBM CLOUD ACCOUNT

Date	20 October 2022
Team ID	PNT2022TMID53213
Project Name	Visualizing and Predicting Heart Diseases with an Interactive Dash Board

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Jamuna B's Account). Below this, the main dashboard area is titled "Dashboard" and features a "For you" section with six recommended actions: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud), "Learn about IAM Roles" (Learn about roles in IBM Cloud and how they work to control access), and "Build a virtual machine" (Lift and shift your VMware workloads to the IBM Cloud). Each action card includes a "Getting started" button and a duration. The bottom section of the dashboard contains four tiles: "News" (IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management, IBM to Introduce a New Incident Management), "Recent support cases", "Planned maintenance", and "IBM Cloud status" (with a world map visualization).
